

Cast your net off to the starboard side and you will find something, said the Lord. So they made a cast and took so many fish they could not haul in the net because of the number of fish in it.

How's Your Hearing?

Just as vibrations, fluids, and nutrition directly form the baby from the mother's own body, God breathes life into us from the substance of God's own Self. We are shaped in God's own Divine Image, and marked with the vibrations of God's own Voice; and since we know from Jesus that "the Father and I are one," we can be assured that we are also of one body with Jesus. Since we are born of God's substance, there will be no way in our future life that we can be entirely deaf to the Voice of God. The Scripture tells us, "Faith comes by hearing." We all know, however, that at times, we don't really want to hear that Voice. We can try to ignore it. We can avoid prayer and times of reflection upon our situation; we can refuse to seek help or wisdom from others when we need it; we can keep busy and surround ourselves with as much loud music, noise, drink and distraction as we can bear. This Easter season is the best time to have our hearing checked! When we listen to Jesus in the Scriptures, in prayer, in our daily lives with friends and families-let's try to listen with every fiber of our being-not just with our ears. To listen well requires more silence. Maybe it's time to go on a Day of Reflection, or a women's or men's retreat. When you listen with your whole body, your body's wisdom tells you what needs resting, changing, or renewing. You will hear the Good Shepherd calling you, who is longing to protect and refresh you. Finally, the test of our hearing will be whether we resemble the disciples, who "knew only how to be filled with joy and the Holy Spirit." Jesus' love is so generous that it reaches the hearing of everyone and anyone. Let's listen generously, too. **Go in peace to love and serve our God!**

Stewardship Reflection

It has often been said that stewardship is *'what we do after we say we believe.'* What are we to do with the resurrection? As good stewards of this incredible gift we are to share it. Jesus said to Peter, *"Feed my lambs"*. We are called as disciples today to do the same. Peter reiterates what is central to our discipleship... **love**. To be a witness to the resurrection, but to not have love, is nothing. Stewardship Office, The Archdiocese of Winnipeg , www.archwinnipeg.ca
